RE: *Eliminator Cleaner/Degreaser*

Dear Beau,

As an owner/operator of a Vavoline Lube Center, I have experimented and tested a variety of cleaning products over the years. We have been using your Eliminator Cleaner/Degreaser for 3 months and have found it to perform as advertised, (quite simply it is the best non-solvent cleaner/degreaser I have used).

We presently use Eliminator to mop the drive-thru area of our shop, as well as general cleaning of the facility. Eliminator leaves no slippery residue on the floor surface, which has always been a safety concern with other cleaners. I also have found Eliminator to be very cost effective because of the dilution ratio's and reusability of the product. Our next major endeavour is a detailed cleaning of our lower pit area, and I can't wait to see those "Bugs" in action.

I would highly recommend Eliminator to anyone in the Automotive Service Business for its cleaning ability, safety features and most importantly the cost saving the product provides. Thank you for providing us with such a great product.

Cordially,

A handwritten signature in cursive script that reads "Tom & Lori".
