

# Apex Cleaner

Voc-free Aqueous  
Industrial Strength Cleaner

*By PHase III, Inc.*

**Apex Cleaner is a VOC-free, water-base degreaser for the toughest industrial needs**

- Non-toxic
- No corrosive enhancers found in many heavy-duty degreasers and graffiti removers
- No harsh solvents typically found in graffiti removers, such as: NMP, GBL, MEK, Acetone, etc.
- No petro-chemicals
- Bio-Degradable

**Product** can be stored in general chemical bays kept between 32° to 120°F.

## Physical Characteristics:

### Dispersions:

**Dispersion Guidelines:** Type, age, and build-up of soils will determine dispersion concentration and need to be determined on-site, through simple application testing.

**Heavy-Duty:**

**Medium-Duty:**

**Light-Duty:**

**Product** IS NEEDED IN FOLLOWING AREAS:

- Aircraft Mfg. & Airports
